LOCAL AND OTHERWISE.

Henry Eilers returned on Monday from his Jubilee trip.

Senator Stewart is expected in Nevada by the end of the month.

Mrs John Meloy spent several days in town this week visiting with

Mrs. John Duffin is up from De-Lamar visiting with her mother for a few weeks. W. L. Hyde, the sheep man was

in from Camp Valley on business last Tuesday. Mike Williams left on Monday for Nye County to be gone several

months on a prospecting trip. Assessor Freudenthal went to DeLamar last Friday to make a

general assessment of the town. The Comstock payroll for July amounted to \$67,985,66. This is are open to serious objection, yet

It's only of late and very late at that that every discovery of a two inch streak of ore, or less is called a

second Clondyke. meet several times next month as a and fixtures, apply to: Board of Equalization on the assess-

ment roll for this year. Tom Alley, a brother of Mrs. Dr. Hudgens and Maude Alley, was killed at Bakersfield, Cal, by the train on which he was brakeman, last Thursday morning.

ment to that place, and returned on Monday.

District Attorney McNamee and wife, Harry Nichols and several others will be up from DeLamar in a day or two to take in Deerlodge, Stateline and the northern part of the county on a camping trip.

Joe Keeley, the irrepressible, has gone to the Clondyke from San Francisco. Life in the city has been too flat for Joe for some time and he may be expected to rush things n the new Eldorado.

Frank Wilson and Will Dooley came in from DeLamar on Monday night and left at 4 o'clock the following morning for Sulphur Springs, going via Deerlodge. They are bound for Salt Lake.

The management of the Sierra Nevada mine at Virginia City state that the ore found recently in the Layton tunnel it the regular Comstock ore, with the percentage of of the Government. This news gold a little higher than that of sil-

tribe is splitting up and each memgo a long way toward spreading the desease.—Carson News.

The Borax deposits of Nevada ought to be of great value since the new tariff bill imposes a duty of \$50 .-00 a ton on raw borax. Inquiries come here frequently from outside parties about supposed borax deposits upon the supposition that they exist in every quarter of the

the White Hills Company has struck an immense body of water in the Treasure mine and to clinch for the miners outnumber the Canadthe matter an ore body of sufficient | ian mounted patrol 100 to 1. When magnitude to keep the new forty stamp mill pounding away for a year or two has been blocked out. creased, but the miners hope in the So far all the openings in the big interim to take out a stake and leave group of mines show ore.—Mohave the country.

The Scrip Question.

Our County Commissioners made reason why, with our present out- employ an assistant.

DeLamar, serving only one day, work of the term. must lose three days time: two in traveling and one in court. This is worth \$9.00. His stage fare is \$9.00 more. Total \$18.00. He receives a certificate for \$15.00 milage, and \$3.00 one day's attendance; total \$18.00, and if this is to be reit will never bring that in open mar- opening next month. ket, so he can hope to receive at best, less than one half of what it costs him to attend, for his expenses usually embrace something besides

stage fare and lost time. A large portion of the scrip now outstanding will never turn up for payment and counting this out, it would cost the county more than 35 cents on the dollar the square its General Fund. It was to save in this way, that the law was passed and jurymen serving in the future were

expected to benefit by it. The Commissioners in advertising money for the third time as they are now doing, in an effort to force scrip in at fifty cents or less, have brought on a lawsuit from scrip holders which threatens to leave us in the same plight as for the past ten years and to deprive the county of all the benefits contemplated for it by the new law, and while all such laws half of the claim. \$5,000 more than the poyroll of there are times and situations when much good results from them.
